Quality Policy

Donnelley Constructions Pty. Ltd. specialises in all forms of building construction work within New South Wales - predominantly the Sydney Metropolitan area. Expertise, reliability and professionalism have been synonymous with the Donnelley name for many years.

Donnelley Constructions has embraced the quality philosophy and is committed to establish, maintain and continually improve an effective and efficient quality program.

The fundamental objective of any quality program, for construction work, is to provide the client with an outstanding project which suits their requirements and needs and is 100 % free of defects at completion. It is to these goals that we aspire.

This Management Plan conforms to the requirements of AS / NZS ISO 9001: 2000. Where necessary, subcontractors are required to implement an appropriate quality system.

The manual details the quality systems used by Donnelley Constructions to achieve the desired standard of quality assurance. This standard is consistent with the regulatory requirements.
